

Dear Irobs & all Saaho Speakers,

I would like to thank those of you who attended the teleconference organized last month to discuss some issues of relevance about Saaho Dictionary & Grammar and pledged support for the publication of the two books.

I will be organizing another teleconference in about a month time for the same purpose. The event will be publicized well in advance and I will communicate all the teleconference details to you all as soon as it is available.

I hope you will join me in a bigger number for the upcoming teleconference and continue your support for the development of the Saaho Language.

Thank you all.

Abba Abraham Hailu
